

Important Notice

Regarding English Consultations

Thank you for choosing our clinic

To provide the best possible care for your pet, please review the following information before your visit.

General Information

- Our clinic operates by appointment only.
- While we make every effort to see each patient on time, the order and timing of consultations may change due to emergency cases or sudden changes in an animal's condition.
- We appreciate your understanding and patience.

Booking Guidelines

- First-Time Visitors
Please present a valid photo ID (e.g., passport, residence card, or employee ID).
A copy may be taken for our records.
- Patient ID
If you already have a Patient ID number, please enter it when making your reservation.
- One Appointment per Pet
Please book one appointment slot for each pet.
- Required Documents
To help expedite check-in, please download the following forms from our official website:
Agreement, Registration Form, Inquiry Form
Please complete them in advance and bring them with you.
- Selecting Your Veterinarian
When booking, please select Dr. Yoshida.

English Consultation Availability

English consultations are generally available on Mondays, Wednesdays, and Fridays.
Please note that the schedule may change depending on the clinic's circumstances.

Emergency Contact

In case of an emergency, please contact us by fax at 052-800-2608 or visit the clinic directly between 9:00 and 18:00.
